SHIFTY BACKFIELD IS DRAKE'S BIG HOPE

Bulldog Team With Smashing Backs Follow Oklahoma's Style of Attack.

CAPT. SIMONS A STAR

All Missouri Regulars to Play Except Possibly Zimmerman.

The Tigers' second Conference game of the season and the first to be played on Rollins Field will be called tomorrow at 2:30 o'clock when Missouri lines up against Drake.

This game, which promises to be one of the hardest on the entire schedule, will resemble the Oklahoma game. At least that is the prediction of C. L. Brewer, the Tiger coach. The Drake backfield, like that of the Sooners, is made up of fast and experienced men, clever passers and open-field runners.

The line-up of the Bulldog team follows: Center, Hewitt; right guard, Strahan; left guard, Scambler, right tackle, Cromwell; left tackle, Crull; right end, Welch; left end, McCormick; quarter, Marquis; right half, Simons (Capt.); left half, McHenry; fullback, Bunz.

Captain Simons at right half and Welch at right end are the stars of the Drake eleven.

How the Tigers Will Line Up.

The Missouri team, though not in as good shape as before the Rolla game, will probably line up with all the regulars in the game. Zimmerman is the only man who may not be in the game.

The Tigers will line up as follows: Center, Zimmerman; right guard, Clay; left guard, Gallagher; right tackle, Groves; left tackle, Kemper; left end, Herndon or Larue; left end, Speelman; quarter, McWilliams; right half, Lake and Moore; left half, Shepard and Wiggins; fullback, Wilson (Capt.) and Dunckel.

No bleacher seats will be reserved. Box seats can be reserved at the Gymnasium or at the gate for \$1.50. Automobile stalls will be rented for \$3.

The Tigers have been drilled on special plays at secret practice this week. Much of the practice since the Rolla game has been used to strengthen the defensive playing. The scrubs have been built into a stronger team, and the work which they have been able to do against the first team has helped the coaching staff to find the weak places in the Tigers' line.

The Rest Cure.

No efforts are being spared to see that the players are in the best condition possible. Every man has been watched closely and as soon as he shows any soreness he is taken out of the more strenuous practice. Coach Schulte believes that a man had better be in the best physical condition by being given the rest cure for a few days. The extra knowledge that a player would gain by being in the hard part of the scrimmage would not be worth as much to him as a complete rest. A player is apt to make the injury worse permanently if he is allowed to go through even a few minutes of hard scrimmage.

About the only man who seems to be troubled much now is Zimmerman. The big center has sprained a knee which has been troubling him, and if it continues to do so he will probably not be in the game tomorrow.

Eddie Klein has been on the field regularly with the rest of the coaching staff, and he has done good work in developing individual men. Mr. Klein coaches each man individually and if the player doesn't get into action in the proper spirit he doesn't have to wait to hear about it from Mr. Klein. Professor Brewer says that he has been of valuable assistance in building up the team.

Drake Will Fight Hard.

Professor Brewer and Coach Schulte have not expected that the game tomorrow with Drake will be an easy one. Drake will come here to fight for the game to the end. The fact that Drake used a substitute backfield throughout the Washington game when Drake scored 32 points is a big factor that must be taken into consideration in the game tomorrow. Bunz, the Drake fullback, weighs 200 pounds and is expected by Drake to do great work.

It is expected that the game tomorrow will consist largely of open play. Professor Brewer thinks that four out of five of the plays will be open or forward passes.

COOLER WEATHER IS PREDICTED

But It Is to Continue Generally Fair, Forecast Says.

The weather forecast today is: "Generally fair and cooler tonight and tomorrow. The lowest temperature tonight will be about 40." The temperatures today:

7 a. m.55	11 a. m.56
8 a. m.57	12 (noon)55
9 a. m.59	1 p. m.54
10 a. m.58	2 p. m.55

DRAKE TEAM DANGEROUS

Tigers Must Brace to Stop Shifty Backs, Says Brewer.

The Tigers must take a big brace if they expect to win from Drake tomorrow and remain in the running for Valley honors, according to Prof. C. L. Brewer. Four or five men have slight injuries but probably all will be in condition for Saturday's game.

The Drake game will be the first Conference game on Rollins Field this year. It will be called at 2:30 to insure play finished before darkness.

According to all reports, this will be a dangerous game for Missouri. Although Drake is not supposed to have a strong line, the Kansas team found it too strong to get through for a touchdown, and had to make their eleven points in other ways. Drake has a strong backfield. Its style of play is much like that of the Oklahoma team, being mostly the open game.

Captain Simons is probably the best man that Drake has. He was placed at All-Valley halfback last year by all critics of the game. McHenry, the other halfback, is also a fast and shifty man, and only the sharpest kind of tackling will stop them. The Drake fullback, Bunz, is a 200-pound man and a good gainer through the line.

None of these men was used in the game against Washington, when Drake scored 32 points with a substitute backfield. The Des Moines papers say that the regular backfield was held in reserve to twist the Tigers' tail.

The students at Drake recently held a tag day and raised enough money to send their band to Columbia. An excursion train will be run and a large crowd of rooters will accompany the team.

Captain King of West Point will referee the game. Homer L. Thomas of Purdue will umpire and Mark Hyland of Iowa will be head linesman.

DRAKE TEAM IS HERE

McHenry and Krull Not With the Iowa Team.

"We're going to play all the football we know, but I don't know how much that is," said John L. Griffith, coach of the Drake football team, this morning. The team arrived this morning and are going to practice this afternoon. Drake has played five games and has lost only one. That one was lost to Kansas. "We shouldn't have lost that one," said one player. "We wouldn't have lost that one either if we had our regular backfield" said another.

Simons, half-back, is here. The coach said that he probably would start Simons in the game tomorrow, but he is afraid that the half-back will not last.

McHenry, right half and Krull, left half, are both in the hospital at Drake. Twenty-three men came on the squad. The University Band from Drake will arrive tonight. About twenty men are expected to be here to root for the Drake team.

BIG VALLEY RUN TOMORROW

Cross Country Team Has Gone to Lincoln.

The University of Missouri cross country team left last night for Lincoln, Neb., where it will compete tomorrow in the annual Missouri Valley Conference championship.

Six Missouri men will enter in the race. They are Captain Terry, Fawcett, Terhune, Hogan, Finley and Hurst. Ames, Kansas, Nebraska, Drake, and the Kansas Agricultural College have entered teams.

The Missouri team has been taking daily workouts and is in good condition. The members are particularly anxious to defeat the Ames team, to which they lost in Ames several weeks ago.

Another Lecture by the Rev. Sturgeon.

The second of a series of lectures given under the auspices of the International Bible Students' Association will be given by the Rev. M. Sturgeon of New York at the Columbia Theater at 3 o'clock next Sunday afternoon. The Rev. Sturgeon will speak on "Victory Over the Grave."

Little Marjorie Hedrick Dies.

The little daughter of Prof. and Mrs. E. R. Hedrick, Marjorie, died suddenly this morning at 11 o'clock. She was 2 months and 3 days old. The cause of her death is said to be probably heart trouble.

LAWYERS RESENT MID-TERM QUIZZES

Students in School of Law Have Appointed Committee of Protest.

TO PETITION FACULTY

Professors Say Review Is Badly Needed by Members of Classes.

A time honored custom of the School of Law has been broken. The juniors and seniors recently had an unexpected quiz sprung on them. They didn't like it. In fact they object so strenuously against the practice of quizzing that they appointed a committee to discuss the situation with the faculty.

Prof. George L. Clark has assigned a quiz in equity for the day after Thanksgiving. He intimated that the review necessary for the quiz will be a help to the students.

E. L. Joyce, chairman of the committee of protest, said this morning that the students do not think the review should be set for the day after a holiday because the holiday is meant to be a day of rest. If the quiz is given November 28, the students say, they probably will not be sufficiently prepared for it.

The committee presented a petition to Professor Clark, asking that he change the date of the quiz, but he refused this morning to consider the petition.

Now, Joyce says, the committee will present a petition to the law faculty asking that quizzes be discontinued. Quizzes are not given in other universities during the term, members of the committee say.

The students say that the law subjects require a whole term in which to learn the underlying principles, so they can argue any of the questions. They further say that they are loaded up with work and that the lengthy reviews that would be necessary in law courses would make them neglect their daily work.

Professor Hudson said this morning that he did not think he would start the practice of quizzing in the rest of his courses. He said if the occasion seems to demand it, the quizzes in property will be continued. The term examination papers show the lack of review during the semester, according to Professor Hudson.

The other members of the committee of protest are R. Barnett and D. Williams. There have not been any mid-term quizzes in the School of Law since Professor Cook, whose precedent was not followed. This was ten years ago.

C. E. WORKERS TO TALK

The Rev. Edgar Strother and Mrs. Strother Will Lecture Here.

The Rev. Edgar E. Strother and his wife, for the last three years Christian Endeavor secretaries to China, will speak at the Christian Church tomorrow night. Mr. and Mrs. Strother came to their home in St. Louis on a furlough on account of the unsettled conditions in China as result of the political revolution there.

Mr. and Mrs. Strother have attended Christian Endeavor conventions in several foreign countries and America. They represented China at the international convention at Los Angeles last summer. They will return to China this fall.

Francis Sultzman, who was called home on important business last week, has returned to the University to resume his studies.

TWO CHINAMEN HERE WILL BE DEPORTED

Leong Sing and Leong Hok Were Arrested Last Night.

SMUGGLED INTO U. S.

Two Government Officials Took Them Out of Town Immediately.

Two Chinamen were arrested here last night. They were taken out of Columbia to be deported to China. Harry C. Allen and H. R. Bennett, government officials from St. Louis, departed with the bewildered Chinamen who can speak little English. They have been working in a laundry here.

Leong Sing and Leong Hok are the two, Chinese. They were smuggled into the United States.

The fact that they had been smuggled in was learned in St. Louis when a letter showing this was found in the pocket of a Chinaman under arrest. Sing and Hok are said to be members of one of the St. Louis Chinese societies that carry on an extensive smuggling business.

The government officials arrested Sing and Hok last night and had them placed in the city jail until a secret hearing this morning in the Municipal building. One of the officials acted as an interpreter. The papers produced by the two bewildered Chinese were pronounced no good and they were taken away at 1:45 o'clock this afternoon to be deported.

Sing came into the United States 13 years ago by way of Havana, Cuba. He crossed the Mexican border at Juarez. Hok entered New York City on bogus papers 4 years ago.

Since both have been in the country more than 3 years, the limit of the restrictive immigration law, their cases come under the charge of violating the Chinese Exclusion Act, passed in November, 1893. The Chinese who came to this country prior to this act were given the full rights of citizenship. All those who came after 1893 were required to have proper credential papers from the United States Commissioner of Immigration.

212 TAKE SHORT COURSE

Six Outside States and Seventy-Four Missouri Counties Are Represented.

Enrollment in the first term of the two-year short course in agriculture has reached 212. This is 20 per cent greater than last year. This number includes fifty second-year men and fifteen men who will complete the first year's work in this term.

The increase in attendance of the short course has been steady. In 1911, seven men received certificates; in 1912, fifteen; in 1913, thirty-three. Forty-five men are expected to complete the course this year.

Seventy-four counties are represented this year. Twelve of these have five or more men. Pettis county leads the list with thirteen students; St. Louis county is second with eleven, and Boone county is third with nine. Buchanan and Carroll counties are tied for fourth place, each having eight. Daviess and Lincoln counties each have six. Audrain, Jasper Jackson, Montgomery and Nodaway have five each.

Six states outside of Missouri have students in the short course. They are Illinois, Iowa, Arkansas, New York, Oklahoma and Georgia.

Emmett C. Anderson, prosecuting attorney, was in Sturgeon yesterday on legal business.

MASS MEETING TONIGHT

Missouri-Kansas Game Is to Be Discussed.

The first real discussion of the Kansas-Missouri game will be given tonight at the mass meeting to be in the Auditorium. Prof. C. L. Brewer will go over the plans of the seating arrangement and the methods used in selling the seats. Milton Bernet, who has charge of the celebrations of the day, will give the rooters the general plans the festivities will take.

M. U. MEN TALK AT ST. JOSEPH

Columbia People on Program of Conference of Charities and Corrections.

Dr. Walter McNab Miller of the University of Missouri is chairman of the committee on health of the Missouri State Conference of Charities and Correction which will be in session at St. Joseph tomorrow, Saturday and Sunday of this week. Other Columbia people are on the program.

J. D. Elliff, professor of high school instruction of the University, will speak tomorrow evening on "The Present Status and Needs of the Social Center Movement in Rural Missouri." Professor Elliff is chairman of the committee on social centers.

Prof. Alva W. Taylor, of the Bible College of Missouri will talk the same evening on "The Church and Social Service: A Committee Report on the Work and Needs in Missouri."

William T. Cross, a University of Missouri alumnus, will talk Sunday afternoon on "The Relation of These Organized Forces to the Problems under Jurisdiction of the State Board of Charities."

J. L. Wagner of Columbia is assistant secretary of the Conference. Mrs. Walter McNab Miller is a member of the executive committee.

This is the fourteenth annual meeting of the Missouri Conference. Gov. Elliot W. Major will address the delegates Sunday afternoon.

"WATER GOOD NOW"

City Council, Mayor and Business Men Visited Reservoir.

A party of Columbia business men went to the water works yesterday afternoon with the mayor and the city council to inspect the conditions of the works now. Among those in the party were: J. W. Schwabe, W. T. Anderson, Dr. W. E. Belden, W. B. Nowell, Dozier Stone, W. E. Crosswhite, J. E. Gillaspie, Percy Klass and P. T. King.

The general opinion of the party is that the water works is in good condition now. The party inspected the ditch and the surroundings of the pond.

"I could not see any thing wrong," said W. T. Anderson. "I have not been out there before and do not know just what conditions were, but things are alright now."

Dr. W. E. Belden said, "There has been too much talk about this matter. The city officials have been improving things all the time. Conditions have improved very much out there, and things are in good shape. The pond is in about as good condition as it can be, without going to the big expense of putting in a concrete reservoir."

"I am sure everything is in a sanitary condition," said W. B. Nowell. Others of the party seemed to be of the same opinion.

JOURNALISTS ELECT AD MEN

Parker and Hailey the Representatives—Pre-Journalists Organize.

T. E. Parker and H. W. Hailey were elected to represent the School of Journalism in the Ad Club this year, at a meeting in Switzer Hall last night.

The pre-journalists organized by electing Ralph H. Turner president, W. H. Wheeler, vice-president and G. P. Mitchell, secretary and treasurer.

Several committees were chosen to arrange for the smoker to be given the night before the Kansas game. Invitations have been sent out to all former students of the school. All pre-journalists are also invited.

Build Hose-Drying Shaft.

A shaft is being built in the fire department of the city hall building to dry the hose in. It will reach from the top of the building to the basement, a length of 50 feet. It is difficult to dry the hose in cold weather.

HUERTA WEAKENS, IT IS RUMORED

Lind Is Working in Mexico City to Undermine Dictator.

HIS ARMY RESTLESS

Financial and Soldier Troubles May Add Force to U. S. Argument.

By United Press.

MEXICO CITY, Nov. 7.—If Lind has returned here at Huerta's request, actions this morning do not indicate it. Lind did not visit the National Palace or receive Mexican officials. It is believed he was sent to sustain O'Shaughnessy in verbal representations and to attempt to persuade the dictator to resign.

By United Press.

WASHINGTON, Nov. 7.—Huerta is to be subjected to renewed pressure to force his elimination, although he defied the United States. It is reported today that the President evolved a new plan connected with Lind's trip. Lind expected to tell influential bankers why the administration objects to Huerta and to try to undermine Huerta through his principal supporters. He will try also to learn his intentions regarding the assembling of a new congress.

Until the latter assemblies, Huerta has an excuse for refusing to resign. Lind also will report on the recent increase of the Mexican Army and on financial conditions in the capital district. Lind's first reports are expected to reach Washington late today.

The administration believes Huerta is weakening, due to the threatened recognition of Carranza together with financial troubles. The dictator is not sure of his army as pay is in arrears and the food supply is poor.

SUNDAY SCHOOLS IN CONTEST

Freshmen in Four Churches Compete for New Members.

A membership contest between the freshman Sunday school classes of the different churches of Columbia began last Sunday and will continue throughout November and two weeks of December.

For every new freshman who is brought to a class and attends two consecutive Sundays, a percentage of 15 will be added to the mean average of attendance of that class. All "prep" school men who are now enrolled in the freshman classes, will be considered in the contest, but no new ones can be figured in the percentage.

Classes from the Presbyterian, Christian, Methodist and Baptist Sunday schools have entered the contest. The two classes which have the lowest final percentage for the seven Sundays must entertain the other two at a banquet.

Ethelbert Stewart will go to the Colorado coal fields to assist in relieving the strike situation there.

The Indiana National Guard are

encamped within the city awaiting the orders of the Mayor. Three hundred women of the Garment Workers Union visited the Mayor yesterday imploring him not to permit the troops to interfere. He replied that his oath of office compelled him to prevent rioting and bloodshed.

French Wines Will Cost More.

By United Press.
PARIS, Nov. 7.—French wines, it is declared today, will cost more this winter than ever before because the wine crop in the district of Burgundy are ruined, according to government statistics published today. Owing to too much rain, the grapes have failed to ripen and mildew has set in, injuring not only the fruit but the vines also. Wine growers have been reduced to the extremity of asking financial relief from the government.

Postpone Reduction Express Rates.

By United Press.
WASHINGTON, D. C., Nov. 7.—A postponement of the blank order, causing sweeping express reductions, from December 1 to February 1, was announced today by the Interstate Commerce Commissioners.
